Principal: Mrs Gemma Trattles

**RE: GCSE Results Day, Thursday 20th August 2020**

It has been a difficult decision to make this year, in regard of how to run results day. As this year group, of wonderfully resilient young people have already missed out on so many of the rites of passage of being at school, we did not want them to miss out on results day itself. However, results day this year will be slightly different.

We are asking that students arrive at a given time, outlined below, and there will be social distancing and hand sanitisation in place, in order to distribute results. In addition, no more than 15 students at any one time will be invited to collect results.

Surname Letter	Time to arrive
<b>A-C</b>	10:00am
<b>D-G</b>	10:10am
<b>H-L</b>	10:20am
<b>M-P</b>	10:30am
<b>Q-V</b>	10:40am
<b>W-Z</b>	10:50am

We intend for results day (weather permitting) to take place in the main car park outside of the Farwath centre, and ask that students arrive and enter using the main student gate; there will be staff on hand to direct students to where they need to be.

We appreciate that in this year of such uncertainty students may well want to discuss any concerns that they have or discuss questions as a result of the grades they receive. In order for this to occur we will have staff available and appropriate spaces to enable this to happen, and we will have support from our careers service Careers Inc, to support any questions.

I would like to remind everybody that Ofqual guidance states that your teachers are not allowed to discuss Centre Assessed Grades and Rankings with you. If you do have any queries or questions relation to examinations and results, these should be directed to the Mr Thynne in the first instance using the following email address: [j.thynne@redcar.outwood.com](mailto:j.thynne@redcar.outwood.com)

Finally, we appreciate that this year has been a year like no other and we very much wish that things could have been different. We will operate some virtual exams result day celebrations and good luck messages but appreciate that this does not replace the events we usually run in more normal times. We will celebrate, somehow, when safe to do so. Until then, we hope you have an enjoyable summer and stay safe!

Yours faithfully  
Graham Skidmore
